LIBRARY LUNCH TIMES WEDNESDAYS & THURSDAYS!

Every Wednesday and Thursday at second lunch our school library is kept open for students to use to play games, read books or do activities.

It is great to see students from Years 1-3 on Wednesdays and Year 4-6 on Thursdays coming together in this space and sharing ideas and knowledge.

Special thanks to our fantastic Librarian, Mrs Clarke, for always being so welcoming to students and creating such a wonderful vibe. Thanks also to Mrs Delfs who often comes to join us.

NUMERACY WEEK

Welcome back to Term 2. The staff had a terrific start on Monday, working with Adam Voigt from Real Schools to continue our professional learning journey implementing Restorative Practices. This was followed by in class coaching on Wednesday, where they were able to implement some of the strategies he had shared, and the work with them to workshop them and identify how they had made our school practice even better.

Restorative practice is about establishing a culture that values and cultivates empathy in our students and Empathy is also one of our new STRIVE values than we are focusing on in Term 2.

We have several exciting events happening this term, however there is an error on the school Planner uploaded onto our school website. Please note that the Mother's Day Pampering in Kindy will now occur until **Week 3, on Thursday May 11 and Friday May 12.**

This term we have the long-awaited launch of our STRIVE values, activities for Numeracy Week, Joffa the cartoonist is working with students to create a STRIVE mural on our undercover area wall. We have the Eagles/Fever Cup, and a Cultural Project will start to create a more welcoming and connected space area at the front of our school. The Year 6 students head off on Camp and we have a Spelling party in the middle of it all. What an exciting term, finishing off with reports that will be sent home to students on the Wednesday 28 June.

It has been very cold this week, and I have noticed a number of our students looking fabulous in school hoodies and winter uniforms. Don't forget the that Uniform Shop is fully stocked and is ready to supply winter uniforms for our students. Wearing the uniform every day shows respect and pride for our school.

Finally, I'd like to thank the members of the School Board, P and C, and parents who participated in our recent School Review. We appreciate that you took time away from your busy jobs to share your opinions with the Review Team in such a positive and affirming way.

DENYSE DELFS, Principal

ANZAC DAY TRIBUTE

Thank you to Mr Tim Moore from the RSL for attending speaking so emotively at our Anzac Day Service, thanks also to School Board members Mr Laurence Dyer and Mrs Rowena Olsen and to Ms Debra Rundle for her Welcome to Country. We celebrated the Anzacs with reflection and song, proudly remembering.

Thanks also to our incredible staff who contributed by making home made Anzac cookies to share with all students on the day along with the wonderful reefs created within classes.

2023 STUDENT COUNCIL

Year 6 Camp is in Week 6 this term! It has come so fast, and we are so excited. All our fundraising is now complete, and we thank everyone for their contribution and our parents for their support.

Crazy as it sounds, fundraising has now commenced for the Year 5 students who will be attending camp in 2024. They begin with the Mother's Day stall being held in Week 3 leading up to Mother's Day. Items will be for sale during recess and lunch with Kindy and PP students wishing to purchase being taken just prior to recess each morning. The stall will remain open all week unless sold out prior. Items will be priced between \$1.00 and \$10.00.

Thanks again for your support. Another reminder to families if you are missing items of clothing or lunchbox/water supplies then please call into the undercover area and go through the overflowing lost property!

BEING HELD MONDAY 8TH MAY TO
FRIDAY 12TH MAY DURING RECESS
AND LUNCH IN THE LIBRARY.

PARENT INFO SESSION

Monday 8 May HPS is hosting a Parent Information session in the School Library from 3pm until 4pm focusing on Literacy. Children are able to be supervised by staff for those parents wishing to attend.

The workshop is designed to explore how to support and extend your child's understanding of phonics and to support their reading and spelling. It is suitable for all year levels.

Please contact Nikki in the front office to register your interest by phoning 9068 5300, sending an SMS to the school on 0409 299 194 or emailing Nikki.smith@education.wa.edu.au.

This is a fantastic opportunity, and we hope to see lots of parents there.

Year 4-6

YOUTHCARE DONATION

We have had an incredible donation to the school from local organisation YouthCare. Our wonderful Chaplain, Mrs Bona, is part of this group and we thank both YouthCare and Mrs Bona for their generosity and fantastic work. If you need some winter tracksuit pants, we can offer families brand new grey Champion tracksuit pants in sizes 10, 12 and 14. Unfortunately the smaller sizes were allocated to other schools. There are also some Bonds packs of girl's underwear in smaller sizes. Please call into the office if you are interested. We thank YouthCare for their generosity.

UNIFORM SHOP

The cooler weather has arrived and it is a great time to remind families that the uniform shop is fully stocked with all your winter needs. They have hoodies, jackets, both bomber and microfibre, and tracksuit pants.

We ask that families work with us in maintaining our uniform regulations and where possible ensure students are wearing HPS uniform jumpers and jackets. There is a large number of multicoloured jumpers and those displaying sports logos currently in the upper years. Please set an example to younger students and proudly wear the Hannans Primary School uniform. It is a great look!

The Uniform Shop is currently filling orders placed online each Tuesday, you are also able to place orders through the office and if time permits staff are able to fill them and take payment.

Thank you for
your support!

COMMUNITY NOTICE

HELP DESIGN LIVE EXPERIENCES CHILDREN AND FAMILIES LOVE

Families, teachers and others who have or care for children aged 5-12 years are invited to support a **vital research** project to improve live performances for children and families.

Please complete a [short survey](#) by 5pm on Friday 19 May and you may enter the draw to **win a prize pack valued at \$340**.

The study is being conducted by CircuitWest, Spare Parts Puppet Theatre, Barking Gecko Theatre and AWESOME Arts with support from the State Government and Lotterywest. Responses will remain private and confidential. To take part, please [click here](#) or visit www.catalyse.com.au/studies.

2024 KINDY ENROLMENTS

Kindy enrolments for 2024 are now open!

If you have a child born between 01.07.2019 and 30.06.2020 they are eligible to attend Kindergarten in 2024. Please call into the office at Hannans PS and collect an Application for Enrolment.

Western Australia now has immunisation laws that will help to better protect our children and the wider community from vaccine-preventable diseases.

When you enrol your child in Kindergarten you will need to provide your child's current Australian Immunisation Register (AIR) Immunisation History Statement, which shows your child is 'up-to-date' with all the scheduled immunisations (according to the National Immunisation Program) for their age. This Statement must be no more than 2 months old.

Enrolment remains open until Friday 21 July 2023. After this time letters of offer will be sent out and once accepted you will be required to complete further paperwork. Play to Learn continues to operate on a Monday morning for students who will be attending Kindy in 2024.

TECH TALK

Hello Hannans PS Community

Welcome to Term 2. This term, as part of our *Tech Talk*, I would like to share ideas for you, as parents, to assist your family with managing technology at home. At times, technology can take over our lives, but it is important that we remember to take the time to talk to our children, read with our children and play with our children. Putting technology away can help with this.

One idea is to create a Family Technology Agreement or a fancier name, 'Fam Tec Pact' – a set of rules that can be displayed on the fridge where everyone will see them. Writing the rules together as a family is important and it will encourage the whole family to build good habits around technology. The most important thing to remember is that the agreement is not only for your children but also for you, as parents.

Here is an example of a simple agreement for when technology needs to be put away! Just one part of the agreement.

Our devices are put away in the kitchen cupboard

This could be an easy place to start! Why not give it a go with your family! Next newsletter we will build on this agreement and add some more rules for your agreement. Be safe online, on the roads, everywhere!
