YEAR 6 CAMP

They did it! The Year 6 students together with four very weary staff members are on their way back home from camp. They have explored, visited, played, eaten, slept and been on so many adventures and we cannot wait to welcome them back and share the stories when they wake up! Thanks to Mr Summerfield, Mrs Smith, Miss Barry and Mrs Sullivan for keeping them safe and happy and giving up their week for camp, you are amazing!

Our ethos: To establish a set of behaviours and values which will promote a participative and collaborative working environment encouraging excellence in learning, together with an appropriate range of teaching skills designed to achieve the school's purpose.

Hello HPS Families

What an amazing week we have had at HPS. Our Year 6 students headed off on camp, and from all accounts, it has certainly been a trip to remember. This was followed by our Mother's Day stall throughout the week, Kindy Mother's Day pampering sessions and our HPS Mother's Day lunch today. The school has been full of love, presents and kind thoughts from our students about their mums and carers.

A huge thank you to Mr Summerfield, Mrs Smith, Miss Barry and Mrs Sullivan who attended camp with our 31 Year 6 students. From the photos and feedback from staff, it has been wonderful. Students have been incredible, immersing themselves in all the experiences while building connections and friendships with one another. Mr Summerfield shared that camp has been an amazing experience for all. It is not only about exciting activities and fun with friends, but also about building resilience, taking responsibility for belongings, learning independence and managing time away from family. These are all life skills that are important for our young people as they are graduating this year to high school. Hopefully all these little lessons learnt will be advantageous for the future.

Our little P2L students began the celebrations on Wednesday with special activities to celebrate their mums, all carefully planned by our amazing Mrs Coysh. It was such a special time for everyone involved. Following this, our Kindy students pampered their special family members this week with nails, hair, stories, craft, scones with jam and cream, and much more. It is always such a special occasion for our little people. A huge thank you to Miss Twort, Miss Kaddatz and Mrs Capello for creating such a beautiful and welcoming environment for our mums and carers, which was so very well received.

Our Mother's Day lunch today was very well attended by families, and it was heartwarming to see so many people enjoying this special time together. There were certainly lots of full bellies as well thanks to the delicious "Sweet Boxes" provided by the P&C. It was wonderful to see so many families taking the opportunity to support our P&C. Thank you so much to everyone who attended today and spent quality time with your child/ren to celebrate Mother's Day.

As we head into the weekend, I would like to wish all our mums, grans, nannas, aunties and special carers a very happy Mother's Day on Sunday. You all deserve to be spoilt, pampered and celebrated for the love, care and support you provide each and every day.

Have a wonderful weekend everyone.

Premier's Reading Challenge

We are doing so well registering a staggering **2450** books so far for Hannans Primary School for the Premier's Reading Challenge. But don't stop now, keep logging those books, keep exploring adventures and promoting a healthy love of reading with your children. It is such an important life skill, such a fantastic and wholesome form of entertainment and a great time to help Hannans PS reach for the stars.

Keep logging those books and it is not too late to register; the challenge remains open until 12 June which is another 35 days!

If you haven't signed in before and would like to create a free account to start reading, simply click the link below. It is really that easy!

Attendance

Coming to school every day is a bit like building a tower with blocks, each day you add one more block, making it stronger and taller! When students attend school regularly, their brains get lots of chances to practise reading, maths and problem-solving, which helps learning really stick. Being at school also means seeing friends, joining in activities and feeling confident because you know what's happening in class. Everyday matters, because even one missed day can mean missing an important piece of the puzzle!

When students show up, they shine. Every day at school is a chance to learn something new, build confidence, and strengthen friendships. Consistent attendance helps students stay connected, feel successful, and make the most of every opportunity. Every day really does count, and we love seeing our students here, growing, thriving, and giving their best.

Kindy Enrolments

ENROL YOUR CHILD
in Kindy

If your child turns 4 years old before 30 June 2027, enrol them in Kindy for 2027.

HPS offers a rich, intentional learning environment where play-based learning will allow your child to:
explore, problem solve, discover and develop self awareness.

ENROL NOW

Phone or email the school for a Kindy enrolment package.
Kindy enrolment closes on 24 July 2026
Ph 9068 5300 or email Hannans.PS@education.wa.edu.au

We are open for enrolments for our Kindy in 2027. If you have or know of a child born between 1st July 2022 and 30th June 2023, we would love to welcome you to our school.

Enrolment packs and information are available from the front office, website or by emailing us for more information. Enrolments will close on 24th July 2026. Numbers are limited so don't delay!

Walk Safely to School Day

Well, it's that time of year again when our school seriously starts talking about walking! Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 22 MAY 2026!

JOFFA Incursion

Our Year 4 and 5 students were treated to a fun and inspiring visit from JOFFA, the cartoonist behind "The Cartoon Guy." JOFFA shared his creative process, demonstrated live drawing, and guided students through bringing their own characters to life. It was an energetic session that sparked imagination and showed our budding artists what's possible when creativity meets practice.

Geoff Taylor, better known as JOFFA, is an Australian cartoonist, illustrator, and author best known for creating the *World's Greatest Cartooning* book series, where he teaches young artists the fundamentals of drawing and visual storytelling.

Kapi

Term 2, 2026

This term in Wangkatja, students will be learning about kapi (waterbodies). Students will learn a range of information about waterbodies in and around the Goldfields area through sentences, keywords, text, song, games, art, real items and short clips. Throughout the year students will also learn a range of greetings, farewells, conversations and classroom instructions. Students are always welcome to share photos, information and stories they have about the waterbodies they see and visit.

P&C Update

WINNER, WINNER LASAGNE DINNER!

Congratulations to **Jacobus Straub** who's lucky family get to enjoy a delicious lasagne dinner tonight!

Thank you for your support of the Mother's Day dessert boxes and lasagne raffle and to Spudshed for their generous donation towards the sweet treats!

Colour Run is Coming!

Colour run planning is well underway (don't worry, there will be PLENTY of yuckets again this year!)

We are once again looking for generous sponsors to help make this a memorable day and raise funds for our school.

Please get in touch if you know a local business who would be interested in sponsoring our event!

Mother's Day Stall

Thank you for your support of the Mother's Day stall! We raised \$1850, which will be shared with Year 6 Camp fundraisers, with the year 5's helping out on the stall all week.

The P&C is here to represent you! We would love to hear what you want from your P&C. Please get in touch, or join us at our next meeting in week 8.
admin@hannanspandc.com.au

What Do We Do?

The P&C runs the canteen, uniform shop and run regular fundraising events - with all the funds from canteen, uniform shop and fundraising going straight back into the school. We raise funds for projects big and small, including big playground upgrades and classroom resources.

We also advocate for the school and act as voices for parents and carers.

You don't have to come to every meeting to be part of the P&C. We are always looking for volunteers to help out at events too!
