

"Successful relationships become partnerships when there is two-way communication, and when parents and practitioners really listen to each other and value each other's views and support in achieving the best outcomes for each child"

(Effective Practice: Parents as Partners; The Early Years Foundation Stage, 2007)

P and C FAQs

- Meetings are currently held at 6:30pm on a Tuesday night, twice a term.
- They usually go for about an hour.
- These meetings provide an opportunity for parents to voice their concerns or congratulations to the Principal and other staff as well as making decisions about how to spend P and C funds.
- The AGM will be held in February and costs \$1 to become a member.

Hannans Primary School P and C 2026

Canteen

The Canteen is operated by the P and C who employ a Canteen Manager. Parents volunteer their time to help and we can always do with more support. If you can spare some more time please let us know. Orders are placed online or prior to school using the **Flexischools** app or directly through the canteen window.

Uniform Shop

The Uniform Shop is operated by the P & C. It currently operates online filling orders as required. The Coordinator volunteers their time to provide this service to our families.

Hannans Primary School
130 Graeme Street
Kalgoorlie WA 6430

Phone: 9068 5300

admin@hannanspandc.com.au

We NEED you because.....

Without your energy and input your children will not get the benefit of additional funds. If you want the best for YOUR children & Hannans, please support us.

The role of the P and C

- Raise the profile of Hannans PS.
- Provide a forum for parents to share information and views on the running of the school.
- Assist the school to build positive relationships within the community.
- Raise funds to provide additional resources and support for students.
- Help learn about school policies and programs.
- Stimulate community interest and participation in education.
- Operate the Canteen, Uniform Shop and contribute to fundraising committees.

Ways you can help

The P and C is made up of a small but dedicated group of volunteers who are passionate about helping our school. These volunteers take on roles on the P and C, and support us to organize fundraising events.

In 2025 they helped us by:

- Organising events like Mothers' and Fathers' Day Stalls, raffles and fundraising, catering for events and hosting events like sausage sizzles and morning tea for staff on World Teachers Day.
- Fundraising to subsidize the Year 6 Camp and donating towards camp.
- Providing emergency funds for families in need.
- Providing additional funding for classrooms budgets and graduate teaching staff.
- Helping at school functions like NAIDOC Week.
- Providing book prizes and other awards.
- Fundraising for the redevelopment of the library; and playground equipment across the school (all ongoing).
- The K Pop Family Disco
- The Quiz Night

Dear Parent,

If you have special skills, knowledge, talent or useful contacts in the wider community – **YOUR CHILDREN AND P & C NEED YOU!!**

If you can donate your unskilled labour- **YOUR CHILDREN AND P & C NEED YOU!!**

We appreciate that whilst it may not be possible for you to be directly involved on one of the P & C committees or want to attend meetings, you can still be involved and contribute in more practical ways.

Often we don't have the specialist expertise or the labour to undertake all of the activities and improvements around the school we would like to. There are many more improvements we could make with more assistance and our scope is limited only by your contribution and participation in the school community.

We would like to add your details to a "workforce" of volunteers whose services we can call on at various times of the year for advice/assistance or check your availability to help out. We don't expect that you will be able to help every time and hope to have enough people so that we are not calling on the same people each time.

Hannans Primary School has a very active P & C that works with the school and surrounding community to improve the school and its facilities. It assists to provide a standard of education and facilities to your children that would otherwise not be available if it were to rely solely on Government funding.

Please complete the form overleaf and tell us a little bit about yourself and whether you are prepared to assist in any way. The more people involved and contributing, the greater the facilities can be for our children.

Please return completed forms to the school office.

Yours Faithfully

Hannans PS P and C President

P & C VOLUNTEER REGISTER

NAME (Parent A): _____

Occupation: _____

NAME (Parent B): _____

Occupation: _____

Contact Ph.: _____

Email: _____

Children/Room Number: _____

I/We have skills/experience in the following fields:
